

In accordance with the University of Georgia's Policy for Programs and Activities Serving Minors, if you are a third party wishing to use UGA facilities and your program involves non-parental supervision of minors, you must complete the following steps before registering:

1. Make sure you are registering with UGA at least 60 days prior to the start of your program.
2. Complete UGA approved background checks on all of your program staff.
3. Have all of your program staff complete required UGA and program-specific training.
4. Have the program administrator provide proof of insurance, sign all facility use contracts, and provide 24 hour contact information.
